

City of Forsyth Large Item Pick Up

Please read through this information carefully to understand changes to the City Wide Clean up

Beginning in 2021 in place of the Annual City Wide Clean up program as we have done in the past , we will be changing to a Monthly One Large Item pick program. The new program allows residents to set (1) one large item out per month with their regular schedule trash pick up. This allows residents the opportunity to dispose of items as needed in place of holding or storing them a for a special pick up day once per year.

CURBSIDE PICK-UP

- * Residents' may place 1 large item at the curb per month with their normal pick up .
- * Any non-acceptable items that are included (listed below) will be left at the curb for disposal by the resident. Including items that are not from that address.
- * Crews cannot access personal property to assist in moving items to the curb and items cannot be unloaded from a trailer.
- * Please bag small items .
